SOME outstanding characters in this little tale are those who were chosen by the student body for places of great honor. "Have you voted yet?" has been an oft repeated question of campaign managers as they rushed feverishly around trying to put their favorite candidate in. Now for the outcome of this year's grand elections just turn the pages and see for yourself. We say, hats off to these fine, deserving people!

*T*O CONTINUE with our Bobcat's tale,

we now turn to the sports with Yea, Bobcats—Fight!! From the very first day of school the fighting spirit of the Bobcats has been present in a big way in football, in basketball, track, tennis, and baseball. J. C. without sports would be like a house without windows. We are proud of our teams, of each individual athlete, and of the fine achievements of all.

say, "If you want to stay happy, stay busy."

And at J. C. if you want to stay busy just

belong to one of the clubs, councils, or fellow-

these organizations lend to the campus reach

almost every student and help develop them
